SEALED TENDERS, marked "Tender for Bridge Project No. 613—Camp Creek, Canoe River, Cedarside Overhead, and Swift Creek Bridges, Contract No. 1," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Daylight Saving time) on Thursday, the 13th day of June, 1968, and opened in public at that time and date.

The contract comprises the construction of the reinforced-concrete substructures for the four bridges. Certain of the substructure elements at three of the sites are pile-supported.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, Room 1414, 207 West Hastings Street, Vancouver 3, B.C., or from the undersigned for the sum of ten dollars (\$10), which is not refundable.

Each tender must be accompanied by a certified cheque or a bid bond in an amount equal to five per cent (5%) of the tender price. This cheque or bond shall be forfeited if the tenderer declines to enter into contract. If a bid bond is used, a performance bond in the amount of one hundred per cent (100%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract. If a deposit cheque is used, it shall be retained and forfeited if the contractor fails to carry out the work contracted.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
